Each Sub-group Should Keep in Mind...

- Work of the other relevant LRDP groups.
- Key assumptions document:
 - Recommended updates
- Physical Master Plan:
- Existing UCOP policies/programs:
 - Ensure that development proactively addresses future deadlines/policies
 - What is *not* covered in existing policies? Riverside-specific needs
- Triple-bottom line:
 - Environmental, Social, Financial Sustainability
- Relevant [UN Sustainable Development Goals](#)
- Relevant AASHE Stars
- Cross-talk between sub-groups. (e.g. Energy ↔ Water, Land Use ↔ Water)

Sustainability Sub-group Roster
